- Click on – **Phone Services** – **Services** page displays
- Click on – **Add New** – **Add Service** page displays
- Click on - **the Drop Down arrow in box next to Service Name to Select a Service**

➤ **Note: You may subscribe to the following services:**

- ❖ **Area Code Lookup**
- ❖ **CNN Top Stories**
- ❖ **Stock Quotes**
- ❖ **Weather Checker**

- **Click on the Service** – it appears in the box – **Click on Ok** to save
- **Repeat these steps to subscribe to other services**

➤ **Note: There are no charges associated with these services – They are free**

## PROGRAMMING SPEED DIALS

Log on to CCM User: <https://iphone.voip.ufl.edu/ccmuser/>

User ID is: Your Gatorlink User Name

Password is: Your Gatorlink User Name + 5-digit phone # (typed together as one word)

**(Note: Passwords can be changed by user (not recommended). Telecom does not know your password once it has been changed. Telecom cannot help you if you forget it without reinstalling the application).**

- Enter **User Id** and **Password** – Click on **Logon - User Options** page displays

**Note: There are 2 types of Speed Dials**

1. **Speed Dial Settings (on phone base)** – Displays when you have unassigned buttons on the base of your telephone – These will appear under the **Home** Tab

- Any phone numbers and names you input here will appear on the **LCD Display** next to the corresponding button that you program

2. **Abbreviated Dial Settings (Speed Dial Setting not associated with a phone button)** – These will appear under the **Phone Settings** Tab

- Any phone numbers and names you input here will not appear on the LCD Display but will be programmed internally

- After completing the list – Press **Save**

- Right click the page

- Click on **Print** to make yourself a copy

- Click on Logout (when ready)

- **To dial a Speed Dial not associated with a phone button**

**(Note: Receiver/Handset must be on the hook)**

- Example – Speed Dial # 6 is 31234 - Display Text: Telecom

- ❖ Dial the corresponding Speed Dial (6)

- ❖ Press **AbbrDial** Soft Key

- ❖ As the number begins to dial – Lift handset or leave call on Speaker

## PROGRAMMING FAST DIALS – USING DIRECTORIES BUTTON

Log on to CCM User: <https://iphone.voip.ufl.edu/ccmuser/>

User Name is: Your Gatorlink User Name

Password is: Your Gatorlink User Name + 5-digit phone # (typed together as one word)

**After entering User Name and Password – New Page displays – Click on Home**

1. Click on **Contacts**
2. Click on **Add New** – Enter appropriate Information: (**\*Nickname**)
3. Enter Phone Information: (Here you will see 3 options: **Home, Work & Mobile**)
4. After information has been typed in – Click on **OK**
5. **Repeat Steps 2, 3 & 4 to add additional entries**
6. When finished with all entries – **Go to your phone**
