

PhD - Year 4 + - Academic Progress

Name:

Year Entered:

Advisor:

Year of MS:

Expected Year of Completion:

Committee

PhD Written Exam:

Language Exam:

Oral Qualifying Exam Date:

Distribution Requirements Met (Y or N):

Needed:

Course Requirements:

out of 36 6000+ credits (no MAT 6905)

Please attach a CV and a one page research description. Be sure to include presentations, papers, conferences, etc.

1. What have you done to prepare to look for a job? (Career resource center? Teaching philosophy? Research statement? CV? Internship? Asked for letters of recommendation? Attended workshops, e.g. on grant writing or ethical conduct of research?)
2. Are you planning to teach in an academic setting (community college, college, university) or work in business or industry? How does this influence your choice of courses, research focus, conferences to attend?
3. Have you taken an oral exam, given a seminar presentation, presented a poster or given a talk at a meeting in the current calendar year? If so, indicate what, where and when. Did you improve your communications skills in the process? (refer to curriculum vita if attached)
4. You will be asked what courses you plan to take next fall in the spring interview. Indicate courses you would like to see offered here.
5. Have you completed your Individual Development Plan and discussed it with your Mentor/Advisor?
6. Other Remarks
